

Cara Wall-Scheffler

Professor of Biology
Seattle Pacific University, Suite 205
3307 3rd Avenue West
Seattle, WA 98119-1997
United States
email: cwallsch@spu.edu
Twitter: @WallScheffler

EDUCATION & TRAINING

- 2001-2005 **PhD, Department of Biological Anthropology, University of Cambridge**
GATES CAMBRIDGE SCHOLAR
Dissertation: *Coastal Ungulates: The Seasonal Use of Ibex and Barbary Sheep Among Mediterranean Hominins*
- 2000-2001 **MPhil, Department of Biological Anthropology, University of Cambridge**
Dissertation: *Seasonality Stress Among Iberian Neanderthals High Pass*
- 1995-2000 **BA in Biology, Anthropology, and Literature, Seattle Pacific University**
Summa Cum Laude

PROFESSIONAL APPOINTMENTS

- 2019-Present **Chair, Department of Biology, Seattle Pacific University**
- 2017-Present **Professor of Biology, Seattle Pacific University**
- 2007-Present **Affiliate Faculty of Anthropology, University of Washington**
- 2012-2017 **Associate Professor of Biology, Seattle Pacific University**
- 2007-2012 **Assistant Professor of Biology, Seattle Pacific University**
- Evolutionary Mechanisms and Theory
- Into to Biological Anthropology
- Human Anatomy & Physiology
- Human Biological Diversity
- Environmental Physiology
- Women in Science
- 2004-2007 **Post-Doctoral Research Fellow, Department of Zoology, University of Wisconsin**
- with Prof Karen Steudel-Numbers
- 2002-2003 **Instructor, Department of Biological Anthropology, University of Cambridge**

AWARDS & GRANTS

- 2017 *Principal Investigator, Faculty Research Grant: The evolutionary biology of the human pelvis: An integrative approach*
- 2017 *Women in Science Frameshifter Award, St Catherine University*
- 2016 *2015-2016 Scholar of the Year, Seattle Pacific University*

- 2016** *Principal Investigator*, Faculty Research Grant: A philosophical approach to human evolution
- 2015** *Principal Investigator*, Faculty Research Grant: A philosophical approach to human evolution
- 2014** *Principal Investigator*, SCIO via the Templeton Foundation: A philosophical approach to human evolution
- 2014** *Principal Investigator*, Faculty Research Grant: Why so small? Heterochrony in tooth development as evidence for a life history shift among Blakely deer
- 2013-14** Winner, Abigail Quigley McCarthy Center for Women Annual Research and Creative Work Award--Collaborative Work Category, *with M.J. Myers*
- 2013** *Principal Investigator*, Sexual dimorphism's role in the energetic and thermoregulatory variation of incline walking, MJ Murdock Charitable Trust
- 2013** *Principal Investigator*, Faculty Research Grant: How does pregnancy change the shape of women's pelves?
- 2013** *Co-Principal Investigator*, BioLogos Foundation: Equipping the Next Generation of Paleobiologists
- 2012** 2011-2012 Professor of the Year, Seattle Pacific University
- 2011** *Principal Investigator*, Faculty Research Grant: Interactive effects of locomotion and reproduction on women's energetics
- 2010** 2009-2010 Junior Faculty Service Award
- 2010** *Collaborator/Consultant*, 3M Collaborative Research Grant, St Catherine University: Where to Carry Kids: A Comparison of Women and Men During Walking
- 2010** 2009-2010 Teacher of the Year in Science and Technology, Seattle Pacific University
- 2009** *Principal Investigator*, Faculty Research Grant: Can we use faunal remains to assess seasonal shifts in climate? Blakely deer as test of climatic shifts in hard tissue remains
- 2009** Participant, Venice Summer School on Science and Religion via Templeton Foundation: Are Humans Just Another Unique Species?
- 2007** *Principal Investigator*, Research Start-Up Grants for New Science Faculty, MJ Murdock Charitable Trust
- 2007** *Collaborator/Consultant*, NIH: Belly mass in walking women: Effects of loads on kinematics and energetics, #G11HD039786
- 2003-2004** *Principal Investigator*, Gates Cambridge Trust: Coastal Ungulates: The Seasonal Use of Ibex and Barbary Sheep among Mediterranean Hominins
- 2003** *Principal Investigator*, Lundgren Research Fund: Subsistence Strategies of Mediterranean Hominins
- 2003** *Principal Investigator*, Travel Award, Gates Cambridge Trust: The Seasonality of Site Use of Gibraltar Neanderthals
- 2003** *Principal Investigator*, Travel Award, Department of Biological Anthropology, University of Cambridge: The Seasonality of Site Use of Gibraltar Neanderthals
- 2003** *Principal Investigator*, Tutorial Award, St Edmunds College: The Seasonality of Site Use of Gibraltar Neanderthals
- 2002-2003** Overseas Scholarship, St Edmunds College
- 2002** *Principal Investigator*, Research Bursary, St Edmunds College: Seasonality of Neanderthal Site Use
- 2001-2003** *Principal Investigator*, Gates Cambridge Trust, Appointment as Gates Cambridge Scholar: Seasonal Use of Sites by MIS 3 Neanderthals
- 2000-2001** Overseas Scholar Award, University of Cambridge

- McCafferty, J.*, Hayes, C.*, Hokanson, A.*, Meissner, S.*, Myers, M.J., (Advisor), and **Wall-Scheffler, C.M.** (Advisor). (April 2008). Abdominal loads and the cost of walking in women. Minnesota Academy of Science, Undergraduate Symposium.

- Meissner, S.*, Hokanson, A.*, Hayes, C.*, McCafferty, J.*, **Wall-Scheffler, C.M.**, (Advisor), and Myers, M.J. (Advisor). (April 2008). Speed of minimum cost of walking: age and load-related differences in women. Minnesota Academy of Science, Undergraduate Symposium.
- Myers, M.J. & **Wall-Scheffler, C.M.** (April 2008). Grandmothers getting it done: Somatic durability in walking tasks. Annual Meeting of the American Association of Physical Anthropologists, Columbus, OH, USA.
- Stuedel-Numbers, K.L. & **Wall-Scheffler, C.M.** (April 2008) There is an optimal speed of human running: Implications for the evolution of hominin hunting strategies. Annual Meeting of the American Association of Physical Anthropologists, Columbus, OH, USA.
- Wall-Scheffler, C.M.** & Myers, M.J. (April 2008) Working harder and taking longer: How frontal loads can impact female reproductive costs. Annual Meeting of the American Association of Physical Anthropologists, Columbus, OH, USA.
- Chumanov, E.S., **Wall-Scheffler, C.M.**, and Heiderscheit, B.C. (February 2008). Gender differences in joint coupling variability during walking and running. Annual Conference of the American Physical Therapy Association, Nashville, TN, USA.
- Wall-Scheffler, C.M.** (February 2008). Methods, Mothers and Mobility: How do we understand energetics and hominin evolution? Invited Lecturer to University of Oregon's Institute for Cognitive and Decision Sciences Lecture Series.

2007

- Wall-Scheffler, C.M.** (November 2007). Influence of infant carrying costs on mobility strategies and tool development. Invited Speaker to the 2nd International Seminar Cátedra Atapuerca, Burgos, Spain.
- Chumanov, E.S., **Wall-Scheffler, C.M.**, and Heiderscheit, B.C. (June 2007) Do anatomical measures explain gender differences in hip and pelvis motion during gait? World Physical Therapy Conference, Vancouver, BC, Canada.
- Myers, M.J. and **Wall-Scheffler, C.M.** (March 2007). Role of load carrying in the evolution of increased body size. Annual Meeting of the American Association of Physical Anthropologists, Philadelphia, PA, USA.
- Stuedel-Numbers, K., **Wall-Scheffler, C.M.**, Myers, M.J., and Weaver, T.D. (March 2007). The energetic cost of human running: factors affecting its variability. Annual Meeting of the American Association of Physical Anthropologists, Philadelphia, PA, USA.
- Wall-Scheffler, C.M.**, Geiger, K.*, and Stuedel-Numbers, K. (March 2007). The role of infant carrying costs on early tool development. Annual Meeting of the American Association of Physical Anthropologists, Philadelphia, PA, USA.
- Stuedel-Numbers, K.L. and **Wall-Scheffler, C.M.** (March 2007). Is there an optimal speed of human running? Annual Meeting of the Paleoanthropology Society, Philadelphia, PA, USA.
- Wall-Scheffler, C.M.** (March 2007). Costs of Being Hominin: Interactions and Innovations. Invited presentation to the Department of Zoology, University of Wisconsin, Madison WI, USA.
- Chumanov, E.S., **Wall-Scheffler, C.M.**, Thelen, D.G., and Heiderscheit, B.C. (February 2007). Gender differences in hip and pelvis motion as a function of gait, speed and incline. Annual Conference of the American Physical Therapy Association, Boston, MA, USA.
- Myers, M.J., **Wall-Scheffler, C.M.**, Weaver, T.D., and Stuedel-Numbers, K.L. (January 2007). Complex effect of limb length on cost of transport of running humans. Annual Conference of the Society of Integrative and Comparative Biology, Phoenix AZ, USA.

2006

- Wall-Scheffler, C.M.** (October 2006). The role of load carrying on early tool development and changes in body size. Invited presentation to the Evolutionary Anthropology Research Group, University of Durham, UK.
- Pulkrabek, J.K., Chumanov, E.S., **Wall-Scheffler, C.M.**, and Heiderscheit, B.C. (April 2006). Hip muscle activity and pelvic motion during level and incline gait. Meeting for the Wisconsin Physical Therapy Association, Wisconsin Dells WI, USA.
- Wall-Scheffler, C.M.** (March 2006). Lateral excursion of the pelvis and the effect of leg-length: Why did Australopithecines retain short legs? Annual Meeting of the American Association of Physical Anthropologists, Anchorage AK, USA.
- Tilkens, M.J., **Wall-Scheffler, C.M.**, Weaver, T. and Steudel-Numbers, K. (March 2006). The effect of body proportions on thermoregulation: An experimental assessment of Allen's Rule. Annual Meeting of the American Association of Physical Anthropologists, Anchorage AK, USA.

2005

- Wall-Scheffler, C.M.** (November 2005). Aspects of Human Evolution. Invited presentation to the Department of Biology, College of St Catherine, St Paul MI, USA.
- Wall, C.M.** (April 2005). Cementum Luminance Analysis (CLA): A new approach to dental cementum studies. Annual Meeting of the American Association of Physical Anthropologists, Milwaukee WI, USA.
- Wall, C.M.** (March 2005). Prey Use and the Mediterranean Palaeolithic: New Ways to Assess Seasonality in the Archaeological Record. Invited presentation to the Department of Anthropology, University of Wisconsin, Madison WI, USA.

<2004

- Wall, C.M.** (November 2002). In Pursuit of the Ibex: Seasonality Stress Among Gibraltar Neanderthals. Invited presentation to the Leverhulme Centre for Human Evolutionary Studies, University of Cambridge, UK.
- Wall, C.M.** (October 2001). Seasonality Stress Among Iberian Neanderthals. Invited presentation to the Department of Biological Anthropology, University of Cambridge, UK.
- Foley, R.A., Lahr, M.M., and **Wall, C.M.** (August 2001). Evolutionary geography of Late Pleistocene hominins: The ecology of multiple dispersals. Invited presentation at Calpe 2001: Neanderthals and Modern Humans in Late Pleistocene Eurasia; Ecology and Biogeography, Gibraltar.
- Fitch, C. & **Wall, C.M.** (May 2000). It is all in your 'genes'. Or is it? Invited presentation at Ethics, Values and Personhood in the 21st Century; Personhood Under the Microscope: Information From Neuroscience and Genetics, Seattle Pacific University, Seattle WA, USA.

MEDIA

- 2020 Contributor to *101 Great Big Questions Children Ask*, by Elizabeth Henderson and Stephanie Bryant, published by Lion Hudson.
- 2018: Children are not like other loads:

MEMBERSHIPS

- 2007-present **Member, Am. Association for the Advancement of Science (AAAS)**
- 2005-present **Member, Paleoanthropology Society**
- 2002-present **Member, International Council for Archaeozoology (ICAZ)**
- 2002-present **Member, American Association for Physical Anthropology (AAPA)**
- 2001-present **Fellow, Cambridge Overseas Society**

ONGOING SERVICE

- 2019-present **Member, SPU Faculty Status (Tenure and Promotion) Committee**
- 2010-present **Chair, AAP(B)A Undergraduate Research Symposium**
- 2009-present **Chair, Seattle Pacific University IRB**
- 2008-present **Member, AAP(B)A Committee on Diversity**

Manuscript Review:

American Journal of Physical Anthropology; BMS Neurology; Comparative Biochemistry & Physiology; Current Anthropology; Journal of Archaeological Science; Journal of Anatomy; Journal of Human Evolution; PaleoAnthropology; PLoS One; Proceedings of the Royal Society B; International Journal of Women's Health; Perception and Motor Skills

Book Review: Cambridge University Press; McGraw Hill

External Examiner: Department of Anthropology, University of Victoria

Grant Review: Leakey Foundation, NSF, Templeton Foundation

Previous Service

- 2014-2020 Associate Editor, Journal of Human Evolution
- 2019-2020 Member, Provost Search Committee, SPU
- 2014-2016 SPU Faculty Status Committee
- 2015 Mentor, Physical Anthropology's Women's Mentoring Network
- 2012-2014 Program Committee, American Association of Physical Anthropology
- 2014 Symposium Organizer of 'Beyond the Obstetric Dilemma: How New Studies of the Pelvis are Redefining our Approach to Hominin Evolution', American Association of Physical Anthropology meeting, Calgary, CA.
- 2010-2012 Member, Steering Committee, Physical Anthropologists' Women's Mentoring Network
- 2009-2010 Planning Committee, Darwin Symposium, Seattle Pacific University
- 2008-2009 Committee Member, Seattle Pacific University IRB
- 2008 Chair & Moderator, Session on the Science and Theology of Evolution, Annual Conference of the Wesleyan Theological Society
- 2007-2009 Guest Editor, *PaleoAnthropology*, series on energetic studies in hominin evolution
- 2007 Symposium Organizer of 'Energetic Studies in Hominin Evolution', Paleoanthropology Society Meeting
- 2005-2006 Presenter for Expanding Your Horizons: Career Exploration in Science, Engineering, and Math for young women

LABORATORY and OSTEOLOGICAL EXPERIENCE

- VO₂ data collection, lab and portable systems
- Telemetry-based body temperature systems
- Kinematics data collection with 2-D and 3-D motion analysis systems
- Electromyography
- Dental thin sectioning
- Polarizing microscopy
- Identification and classification of human and ungulate remains from North America, Europe, and Africa

STUDY of MUSEUM and DEPARTMENTAL COLLECTIONS

National Institute of Archaeological Sciences and Heritage (INSAP), Rabat, Morocco

Natural History Museum, London, England

Gibraltar Museum, Gibraltar, Gibraltar

Museum of Archaeology and Anthropology, Cambridge, England

Department of Archaeology, University of Cambridge, England

Department of Anthropology, University of Washington

Department of Anthropology, University of Wisconsin-Madison
